**Subject:** Public Comment Regarding Airport Expansion

Hi!

I received a call from Paul and Ande Odegaard who reside at 5077 Eastside Highway Stevensville. 777-3389 Ande stated she and her husband are not in favor of any expansion at the Airport. She stated during the summer the traffic from the Stevensville Airport is noisy and creates air pollution. Her concern with the expansion of the Hamilton Airport is larger aircraft creating more noise and air pollution. She stated the valley's air quality is a huge issue especially in fire season with smoke, etc. She doesn't want to see that increased.
